

OUTSIDE / IN COSMETICS

MAY 2009-NEWSLETTER

Summer is coming and if spending time outdoors is something you love but can't stand insect bites here is a natural insect repellent recipe that isn't harmful to you or the environment.

NATURAL RECIPE FOR INSECT REPELLENT

Mix 4 drops each of Thyme, Lavender, and Peppermint essential oils plus 8 drops of Lemongrass oil with 2 teaspoons of vegetable oil or grape seed oil or a light olive oil.

If you prefer a spray then you can get a small spray bottle from the dollar store. Be sure to shake well before using.

Remember Outside/In foundation offers natural SPF 15. Stay healthy and enjoy your summer!

OUTSIDE/IN REPORTS AND EVENTS

HOST YOUR OWN COSMETICS AWARENESS PARTY!

We have received many requests over the last few months from customers wanting to host a Cosmetics Awareness Party. So, we came up with the idea of setting up a kit which includes literature, beauty recipes you can try out with your friends and a discount off product. Contact us at sales@outsideincosmetics.com for more info.

NEED A NEW FUNDRAISING IDEA?

Tired of selling unhealthy sweets or processed foods? Consider our vegan friendly organic lip balms for your next fundraising event. Chose from Strawberry-Vanilla, Sweet Orange-Mango, Lemongrass-Peppermint or Natural. Your organization receives 50% of all product sold and the satisfaction of endorsing healthy Canadian made products! We will also do custom blends with your company logo with minimum order of 1,000 units.

CHILDREN'S BATH PRODUCTS CONTAMINATED

Dozens of children's bath products are contaminated with the cancer-causing chemicals formaldehyde and 1,4-dioxane because contaminants are exempt from labeling laws. Including the top-selling toxic products are Johnson's Baby Shampoo and Sesame Street Bubble Bath. Click here for link to full [Press Release](#) from Safe Cosmetics.
